Dear Parent,

This past week has been Art Attack Week here at St. John's. This has been a program we have had in place for many years which brings professional local artists on campus to work with our classes on a variety of art mediums. It has been so exciting to walk by and observe our students creating and enjoying exploring new mediums of art. I want to thank our art teacher, Cheryl Shanks, for her organization of this annual event!

We will be postponing Open House and Lutheran Schools week to the week of March 28. This is a very exciting week on campus and we want to be able to enjoy it with special activities. We feel that this move will enable us to have more interactive activities on campus. We thank you for your support and understanding. Open House will now be on Tuesday, March 29. Much more information will be coming closer to the date.

Our APT meeting scheduled for this Wednesday, January will be held virtually. Please use the link below.
